# Character Profile

Draw a picture of your character and give them a name.
Do some research to help develop their character.

**Appearance**

Personality
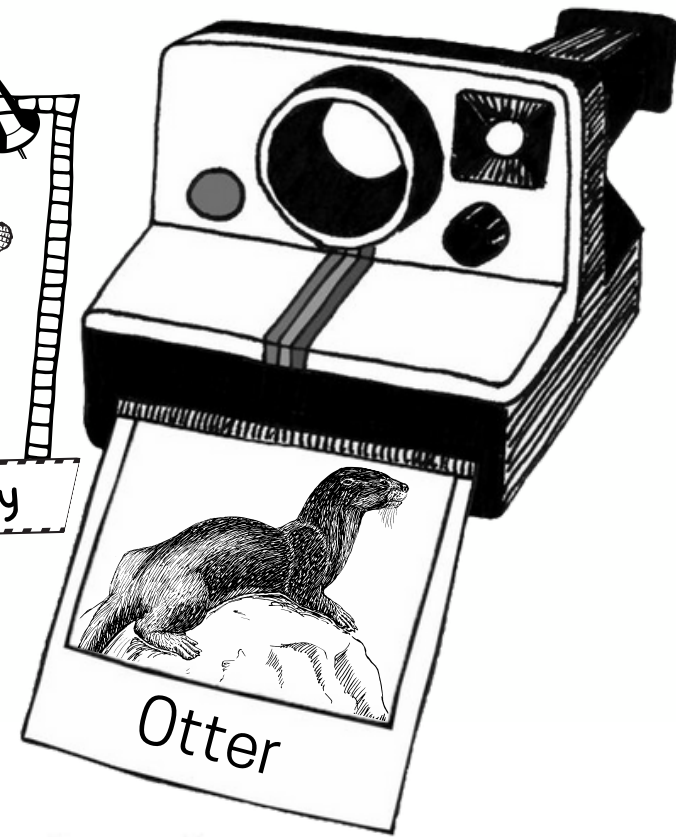

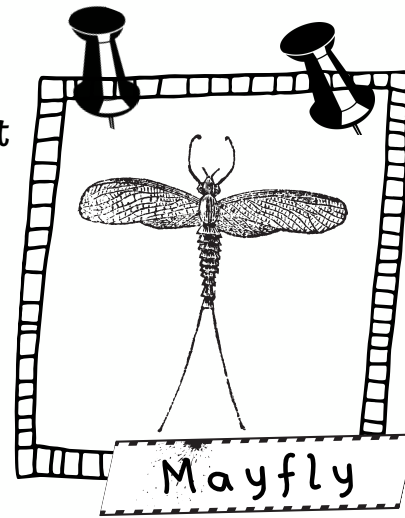

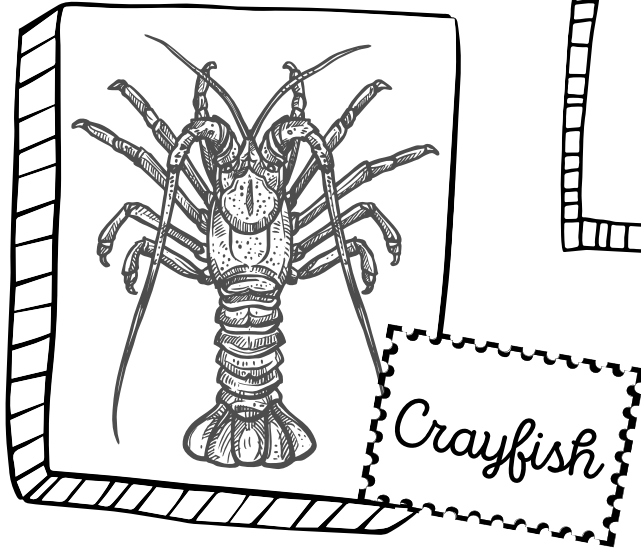

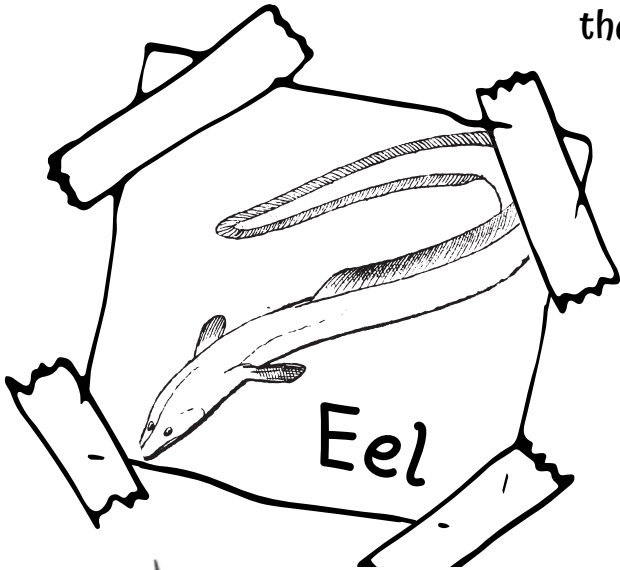

Things they think

Things they do

Heroic Headshots

Our hopeful movie stars have sent in their headshots. Decide who you want to cast for your film. Remember though you'll need to make and animate them.

Eel

Crayfish

Mayfly

Otter

Heron

Kingfisher

Salmon

Villains Line-Up

Check out this line-up of the usual suspects. Can you find out some of the ways they could get into the river and what harm they might cause? When you have found out more about them choose a river villain to bring into your story.
Most of them you won't need to make, you could just use the actual object but others might require a bit more imagination.
